Overview

Product Summary

General Information

This product description describes Truist's Federal Housing Administration (FHA) mortgage programs for Section 203(b), basic 1-4 family, and 234 Condominiums. The FHA 203(b) and 234(c) mortgages are insured by the Department of Housing and Urban Development (HUD). Guidance not addressed in this product description will follow HUD Handbook 4000.1 and any other applicable Mortgagee Letters (ML) or Handbooks not superseded by the new handbook. Correspondent lenders with Direct Endorsement (D.E.) underwriting authority should direct questions for scenarios, guidelines or other requirements to 1.800.CALLFHA. Questions regarding Truist credit overlays may be directed to the Truist Product Support Team at 800.382.2111.

Correspondent Lenders with DE (Direct Endorsement) Authority

- Correspondent lenders with full FHA Direct Endorsement Authority and FHA Direct Endorsement underwriters on staff may sell FHA loans to Truist, underwritten and closed in full compliance with FHA regulations. Truist is not responsible for training correspondent lenders or providing HUD handbooks or Mortgagee letters.
- Correspondent lenders are responsible for remitting the up-front MIP and for obtaining the MIC on each loan. Additionally, the correspondent lender is responsible for reviewing the MIC for accuracy. **Truist will enforce repurchase of FHA loans that do not have MIC.**
- Truist will verify through FHA Connection that the FHA loan has been submitted to HUD for MIC prior to purchase.
 - If FHA Connection reflects a receipt, Truist will purchase the loan.
 - If FHA Connection reflects a Notice of Return (NOR), Truist will not purchase the loan until the loan has been insured by HUD.

Note: Truist may require evidence of the FHA Mortgage Insurance Certificate (MIC) prior to funding when government loans are received for purchase by Truist and/or has been pended at Truist, and it has been over 30 days from the date of closing.

- Truist will not purchase FHA Test Cases or loans considered "Test Cases," when the lender is not yet approved for Direct Endorsement (D.E.), and is submitting cases to the HUD Homeownership Center (HOC) for issuance of a Firm Commitment.

Reference: See the [Compliance Overview](#) section for additional compliance guidelines for FHA loans.

Truist Jumbo Maximum Loan Amount

Truist Jumbo Loan Amounts

- The Truist FHA Jumbo Loan Program code (**F30JFX**) must be used when the **base** loan amount meets or exceeds the loan amounts in the table below.

If you have a:	Truist Jumbo Program Code begins at:
1 Unit Property	<u>\$548,251</u>
2 Unit Property	<u>\$702,001</u>
3 Unit Property	<u>\$848,501</u>
4 Unit Property	<u>\$1,054,501</u>

Maximum Loan-to-Value (LTV)/Total Loan-to-Value (TLTV)

The maximum Total Loan-to-Value (TLTV) (also referred to as “combined” loan-to-value (CLTV) including the UFMIP, is 105% for Truist, including streamline refinances, unless HUD is more restrictive.

Note: All other LTV/TLTV guidelines published by HUD apply.

Maximum Number of Financed Properties and Borrower Exposure

- FHA loan programs are limited to four (4) financed properties.
- The number of financed properties is COMBINED for all borrowers on the loan to determine the total number of financed properties; regardless of whether or not the borrowers are married. (This would include non-occupant co-borrowers, such as mother or father with occupant daughter/son). It is not acceptable to calculate the total number of financed properties by each individual borrower.
- The following property types are **excluded** in the maximum number of financed properties:
 - Commercial real estate,
 - Franchises,
 - Multi-family properties (i.e., greater than 4 units),
 - Joint or total ownership of a property held in the name of a corporation or S-corporation, even if the borrower is the owner of the corporation and the financing is in the *name of the corporation or S-corporation,*
 - Vacant (residential) lots,
 - Timeshares,
 - Ownership of a property that is held in the name of an LLC or partnership where the borrower(s) have an individual or combined ownership in the LLC or partnership of less than 25% and the financing is in the name of the LLC or partnership, and
 - Manufactured home on a leasehold estate not titled as real property (chattel lien on the home).

Eligible Transactions

ARM Alternative

- The ARM Alternative is a lender-funded buydown, not an Adjustable Rate Mortgage (ARM).
- The feature is called the ARM Alternative because it is an “alternative” for borrowers who like the low initial interest rate of an ARM but want the interest rate protection of a fixed rate mortgage.
- The ARM Alternative is a lender-funded buydown where the cost of the buydown is built into the pricing and therefore no buydown funds are required at closing.

Reference: See [Section 2.02: The ARM Alternative](#) product description in the *Correspondent Seller Guide* for additional information.

Energy Efficient Mortgage (EEM)

Only Correspondent lenders that have a Direct Endorsement underwriter on staff may underwrite and submit for purchase loan transactions involving the Energy Efficient Mortgage (EEM) loan program to Truist. Property repairs and energy upgrades must be complete for Truist to purchase the loan.

203(b) with Repair Escrow

Property repairs must be complete for Truist to purchase the loan.

Ease-In Payment Reduction Feature

Introduction

- The “Ease-In” is a payment reduction feature where the seller / builder contributes interest up to the first six (6) months allowing the borrower to “ease-in” into a new home and to “ease-in” to the monthly payments.
- The maximum interest subsidy may not exceed the six percent (6%) seller contribution.
- The builder or seller may pay the interest portion beginning with the first payment up to the 6th month payment.
- This feature is only available for a fixed rate FHA loan.

Requirements

- This feature is only available for a 30-year fixed rate FHA purchase transaction.
- Borrower must qualify at the Note rate.
- The maximum contribution of 6% of the sales price may be used towards the borrower’s interest, closing costs and/or prepaids.
- Any dollar amount over the 6% seller contribution limit must be subtracted dollar-for-dollar from the sales price.
- Care must be taken to ensure the borrower’s three and one half percent (3.50%) down payment is not reduced as a result of the seller contributions.
- The seller / builder contribution which is disbursed monthly must be a fixed amount (i.e., payments applied to the monthly interest cannot fluctuate from month to month).
- No portion of the funds may be applied to the principal balance.
- It is similar to a buydown and must be in a fixed amount (amount of interest applied to the PITI cannot change from month to month).

Amortization Schedule

- An amortization schedule may be obtained on the [Truist website](#) or similar loan amortization programs can be used.
- The following items are determined by running an amortization schedule:
 - *Total Seller Paid Contribution:* the dollar amount of the seller paid interest,
 - *Reduced Payment Period:* the number of months during which interest payments are made, a minimum of one (1) month and no more than six (6) months, and
 - *Interest Payment:* a fixed dollar amount being paid monthly toward borrower interest from the seller / builder contribution.

Interest Payment Reduction Calculation

- An example of a 5-month payment reduction on a loan amount of \$97,000 at 6% interest is shown in the table below.
- The seller’s interest contribution for the payment reduction is a fixed amount that cannot exceed the last month of the subsidy period.
- The maximum monthly interest contribution amount in the example below is \$483.00.

Monthly Payment	Principal	Interest Owed	Total P & I	Seller/Builder Contribution	Borrower Contribution
# 1	\$96.56	\$485.00	\$581.56	\$483.00	\$98.56
# 2	\$97.04	\$484.52	\$581.56	\$483.00	\$98.56
# 3	\$97.53	\$484.03	\$581.56	\$483.00	\$98.56
# 4	\$98.02	\$483.54	\$581.56	\$483.00	\$98.56
# 5	\$98.51	\$483.05	581.56	\$483.00	\$98.56

Closing

- The *Seller-Paid Interest Buydown Agreement* ([COR 0322](#)) must be completed by the Loan Closer and signed by the borrower and sellers.
- The Ease-In Contribution must be shown on the Settlement Statement as a seller credit and be labeled “*Seller-Paid Interest Contribution*”, *4 months @ \$483.54*” with \$1934.16 (per example above) under the seller’s column.
- Additional funds paid by the seller over and above the cumulative interest calculation must be shown as a closing cost credit to the borrower on the Settlement Statement.
- HUD does not require or permit the presentation or disclosure of “seller-paid credits” on the Loan Estimate.
- Seller credits must be entered as a “lump sum credit” on the Settlement Statement.

Note: When the seller makes a contribution to more than one expense for the borrower, the seller credits shown on the Settlement Statement MUST reflect the “lump sum payment.”

- The servicing department will disburse the seller-paid interest contribution shown on the Settlement Statement on a monthly basis and bill the borrower for the difference.
- As far as IRS reporting is concerned, servicing will back out the seller-paid interest contribution for year-end reporting purposes on Form 1098.

Temporary Interest Rate Buydowns

- The loan must be a fixed rate mortgage on an owner-occupied principal residence.
- The *FHA/VA Buydown Agreement* must be completed and signed by the borrower. The Truist *FHA/VA Buydown Agreement* ([COR 0344](#)) is available for use.

****Note: As of April 24, 2020, Truist now Truist applied temporary Agency and Government product restrictions based on occupancy type, transaction type, number of units, minimum credit score, maximum LTVs, and maximum DTI ratios. Refer to Bulletin [COR20-015](#).**

Refinances

Mortgage Seasoning

- For cash-out and streamline refinances, if the existing lien being paid off is FHA or VA the following GNMA requirements must be met:
 - The borrower made at least six consecutive monthly payments on the loan being refinanced, referred to hereinafter as the Initial Loan, beginning with the payment made on the first payment due date; and
 - The first payment due date of the refinance loan occurs no earlier than 210 days after the first payment due date of the Initial Loan.
-

Other Restrictions

Truist will not purchase any FHA loan where the tax, hazard, and/or flood insurance escrows are transferred (rolled) from the unpaid principal balance of the FHA loan being paid off, to the new loan, in order to fund the new escrow account.

****Note: As of April 24, 2020, Truist now Truist applied temporary Agency and Government product restrictions based on occupancy type, transaction type, number of units, minimum credit score, maximum LTVs, and maximum DTI ratios. Refer to Bulletin [COR20-015](#).**

Rate, Points & Lock-Ins

CRA Incentive and Verification

Target Area

- Loan eligibility for CRA Incentive is limited to Truist Bank's Community Reinvestment Act (CRA) assessment areas. It is also based on the subject property being located in a low-or-moderate income census tract or the borrower's income being equal to or lower than Truist's maximum allowable income level for the property county.
- Truist's assessment areas are NOT located in all areas of the state.
- To determine if your loan qualifies for the incentive(s), take the following steps:

Step	Action
1	Go to www.suntrustgeocoder.com
2	Enter Password: CORRES
3	Input your borrower's annual income and property address
4	You will receive either a "Qualified" or "not-Qualified" value
5	If "Qualified," lock your loan at LendingSpace
6	Complete the CRA Census Tract Verification Form (COR 0560A), if required. Email completed form to SunTrust.Corr.CRA@suntrust.com within 48 hours of loan being locked.

- If the form is received within 48 hours of lock, Truist will validate the information and make the appropriate price adjustment.

Interest Rate and Discount Points

Rate and price quotes are established by the Marketing Department daily and are communicated on Truist's Rate sheet.

Lock-ins

It is important that the loan type be communicated when the loan is registered and/or locked-in.

Reference: See [Section 1.03: Loan Registration and Lock-In Procedures](#) of the *Correspondent Seller Guide* for additional information concerning lock-ins.

****Note: As of April 24, 2020, Truist now Truist applied temporary Agency and Government product restrictions based on occupancy type, transaction type, number of units, minimum credit score, maximum LTVs, and maximum DTI ratios. Refer to Bulletin [COR20-015](#).**

Application, Disclosures and Consumer Compliance

General

All consumer disclosures or notices required by all federal, state and local laws and regulations must be complied with. This includes, but is not limited to, the Real Estate Settlement Procedures Act, the Equal Credit Opportunity Act, the Flood Disaster Protection Act, the Truth-in-Lending Act, and the Fair Credit Reporting Act, all as amended and all applicable usury limitations. Further, all consumer disclosures relating to the mortgage loan must have been properly given on a timely basis in compliance with applicable laws, rules and regulations.

FHA Loan Applications

Truist will accept photocopies, facsimile or imaged electronic documents to satisfy this requirement.

****Note: As of April 24, 2020, Truist now Truist applied temporary Agency and Government product restrictions based on occupancy type, transaction type, number of units, minimum credit score, maximum LTVs, and maximum DTI ratios. Refer to Bulletin [COR20-015](#).**

Closing and Loan Settlement Documentation

General The following closing guidelines are specific to the end investor. Unless specified below, all closing forms and documentation should follow standard HUD/Truist guidelines.

Closing Legal Documents The following table shows the required legal documents.

Note	The most recent version of the FHA Note for a fixed rate loan.
Deed of Trust	The most recent FHA Security Instrument as applicable to state requirements should be used and the last page of the instrument should indicate that appropriate riders are attached.
Condominium Rider	The FHA Condominium Rider must be used when the subject property is a condominium unit. There are no exceptions.
PUD Rider	The FHA PUD Rider must be used when the subject property is located in a PUD. There are no exceptions.
Non-Owner Occupancy Rider	The FHA Non-Owner Occupancy Rider must be used when the subject property is an investment property or HUD-Approved Secondary Residence.

Closing Documents

- Ease-In Buydown Agreement ([COR 0322](#))
- FHA/VA Buydown Agreement ([COR 0344](#))

Document Review Fee For all loans, there is a document review fee that will be charged and will be deducted from the proceeds at closing. Refer to the *Correspondent Seller Guide*, [Section 1.08: Loan Delivery and Purchase Review](#) for information on the fee charges.

Private Roads Evidence of recorded road maintenance agreement required when private road is not maintained by a homeowners association.

Property and Flood Insurance
