Product Summary

General Information

This product description describes SunTrust's Department of Veteran Affairs (VA) mortgage programs. VA loans are guaranteed by the Department of Veteran Affairs. Guidance not addressed in this product description will follow [VA Lender Handbook 26-7](#) and any other applicable Circulars or Handbooks not superseded by 26-7. Correspondent lenders with Automatic Authority direct questions for scenarios, guidelines or other requirements to VA. Questions regarding SunTrust credit overlays may be directed to the SunTrust Product Support Team at 800.382.2111.

Correspondent Lenders with Automatic Authority

- Correspondent lenders with VA Automatic Authority with SAR underwriters on staff may sell VA loans to SunTrust underwritten and closed in full compliance with all regulations. SunTrust is not responsible for training correspondent lenders or providing VA handbooks or Circulars.
 - Correspondent lenders are responsible for remitting funding fees and for obtaining a Loan Guarantee Certificate (LGC) on each loan. Additionally, the correspondent lender is responsible for reviewing the LGC for accuracy. ***SunTrust will enforce repurchase of VA loans that do not have an LGC.***
-

General Information

- For government insuring and servicing requirements, the veteran utilizing VA entitlement in the transaction MUST be the "primary" borrower on a loan application when there is a non-veteran borrower, regardless of the amount of income or credit that is being used to qualify the borrower or the amount of assets contributed into the transaction.
 - Conforming and Jumbo fixed rate products are available.

Note: Loan amounts, less any financed funding fee, of \$484,351 to \$1,033,000 are eligible. These loans are considered "jumbo" and will be priced as "jumbo" loans.
 - SunTrust sells VA loans on the secondary market by pooling them in Ginnie Mae pass-through mortgage-backed securities. The requirements of both VA and Ginnie Mae must be fulfilled without exception to produce a saleable loan.
